

Deafblind Australia are visiting Alice Springs as a follow up to a visit in June where we met several incredible community members and organisations who shared about their sector and community.

We would like to get to know more about Alice and the beautiful community members who live there. With a special interest in learning about people who have both hearing and vision loss. We are hosting 4 sessions. This is the first session.

If you're keen to learn more about DBA, what we do and have an opportunity to share about your community, please join us for this session.

Please come along to enjoy a cuppa, a chat and food.

Time: Date: Monday November 20, 2023

Time: 9:30pm - 12pm

Location: Alice Springs Desert Park- Mulga Room

871 Larapinta Drive, Alice Springs, NT 0871
