

**Please join Deafblind Australia in an open forum about:
Technology and Mental Health for people who are
Deafblind.**

**We are hoping to gain a better understanding for people
with hearing and vision loss and:**

1. Access to technology

2. Mental Health accessibility and support options

**We will be joined by Jody Barney, founder of Deaf
Indigenous Community Consultancy, is a strong and
committed advocate who has worked intensively with
Aboriginal Torres Strait Islander people who are
Deaf/hard of hearing or have disabilities.**
